

# TM402 - RF REMOTE CONTROL UNIT

## FEATURES:

- **Frequency:** 433.92 Mhz./315 Mhz.
- **Encoder IC:** PT2240  
(Optional PT2260, HCS301 and microcontroller based custom designs available)
- **Modulation:** ASK
- **Battery Type:** 27A (12V)
- **Plastic-Metalic Sliding Case**
- **Typical Applications :** Remote keyless entry, Rolling Shutters, Alarm and Security Systems, General Remote Control Applications
